

About Zhenshi Group Eastern Special Steel Co., Ltd. (ESS)

Zhenshi Group Eastern Special Steel Co., Ltd. is a stainless steel manufacturer established by **Zhenshi Holding Group Co., Ltd.** located in the transportation center of the **Yangtze River Delta**, Jiaxing, where the rivers, lakes and seas meet, **founded in 1972.**

Advanced technology and technical equipment have laid a solid foundation for energy saving, emission reduction, low consumption, safety and high-quality production. The company is committed to research and insists on providing users with "**high, refined and rare**" stainless steel, including **duplex stainless steel, super duplex stainless steel, super austenitic stainless steel and heat-resistant austenitic stainless steel.**

Eastern Special Steel adheres to the development path of "**green special steel**".

Distributor of ESS

Quality materials

Tailor made services

Timely delivery

Reliability

Product range

Austenitic

301, 304, 304L, 304H, 304N, 304LN, 316, 316L, 316H, 316LN, 316Ti, 317, 317L, 317LN, 321, 321

Roll plate

Thickness: 3-16mm; width: 900-1600mm

Medium-thick plate

Thickness: 8-80mm; width: 900-3200mm

Super Austenitic

904L, 254SMo, 8367, 8926

Roll plate

Thickness: 5-12mm; width: 1000-1600mm

Medium-thick plate

Thickness: 8-80mm; width: 1000-3200mm

Heat-resistant

309S, 309H, 310S, 310H, 309Si, 310Si, S30815, 347, 347H, ESHR-02a, ESHR-03a

Roll plate

Thickness: 4-16mm; width: 1000-1600mm

Medium-thick plate

Thickness: 8-80mm; width 1000-3200mm

Duplex

2101, 2304, S31803, 2205, 2507, S32760

Roll plate

Thickness: 5-14mm; width: 1000-1600mm

Medium-thick plate

Thickness: 8-80mm; width: 1000-3200mm

Corrosion resistant alloy

N08800, S33400, N08810, N08120, N08811, N08330, ES840a, ES803a, ES843a

Roll plate

Thickness: 5-14mm; width: 1000-1600mm

Medium-thick plate

Thickness: 8-80mm; width: 1000-3200mm

Special applications

17-4PH, 15-5PH, 1.4589, S135

Roll plate

Thickness: 5-16mm; width: 1000-1600mm

Medium-thick plate

Thickness: 8-80mm; width: 1000-3200mm

Product certifications

- ◎ ABS- American Bureau of Shipping
- ◎ BV- Bureau Veritas
- ◎ CCS- China Classification Society
- ◎ DNV- Det Norske Veritas
- ◎ LR- Lloyd's Register
- ◎ PED- EU Pressure Equipment
- ◎ AD2000- German Pressure Vessel Specification
- ◎ ASME Certification
- ◎ CPR- Construction Products Regulation
- ◎ ISO9001 Quality Management System
- ◎ ISO14001 Environmental Management System
- ◎ ISO45001 Occupational Health and Safety Management System
- ◎ ISO5001 Energy Management System
- ◎ GJB9001C Weapons and Equipment Quality Management System Certification
- ◎ GB/T29490 Intellectual Property Management System Certification
- ◎ ISO10012 Measurement Management System Certification
